Employee Handbook and Frequently Asked Questions

1. About the Company

Brightwave Technologies Pvt. Ltd. is a software services company founded in 2015 and headquartered in Ahmedabad, Gujarat. The company has about 320 employees and also has branch offices in Pune and Bengaluru. Brightwave builds web applications, mobile apps, and data analytics solutions for clients in education, healthcare, and retail.

The company mission is to make everyday business software simple and reliable. Our four core values are Honesty, Teamwork, Customer Focus, and Continuous Learning. This handbook explains the main policies that every employee should know. If anything in this handbook is unclear, please contact the HR department.

Working Hours

The regular office timing is 9:30 AM to 6:30 PM, from Monday to Friday, with a one-hour lunch break between 1:00 PM and 2:00 PM. Saturday and Sunday are weekly offs. Employees who arrive after 10:00 AM more than three times in a month will receive a reminder from HR. The first and third Saturday of a month are working days only for the customer support team.

2. Leave Policy

Brightwave follows a calendar-year leave cycle, from 1 January to 31 December. Every full-time employee gets the following leave each year.

Leave type	Days per year	Notes
Casual leave	12	For personal work; maximum 3 days at a time
Sick leave	8	Medical certificate needed for more than 2 days in a row
Earned (paid) leave	18	Can be carried forward up to 10 days to the next year
Maternity leave	26 weeks	For eligible female employees
Paternity leave	10 days	Must be taken within 6 months of the birth

How to Apply for Leave

Leave must be applied for through the HR portal at least 3 working days in advance, except in emergencies or sickness. The reporting manager approves or rejects the request within 2 working days. For emergency leave, the employee should inform the manager by phone or message on the same morning before 10:00 AM.

Public Holidays

The company gives 14 paid public holidays each year. The list is published in January on the HR portal. These include Republic Day, Independence Day, Gandhi Jayanti, Diwali, and Uttarayan. Unused casual leave and sick leave lapse on 31 December and are not paid out. Earned leave that is not carried forward can be encashed once a year, in March, at the basic salary rate.

3. Travel and Reimbursement Policy

Employees can claim reasonable expenses that are made for official work. All claims must be submitted on the HR portal with the original bills attached. A claim submitted more than 30 days after the expense date will not be accepted.

Daily Allowances

Expense	Limit	Condition
Meal allowance (outstation)	Rs. 600 per day	Bills required for amounts above Rs. 300
Hotel stay - metro cities	Rs. 4,500 per night	Pune, Bengaluru, Mumbai, Delhi
Hotel stay - other cities	Rs. 3,000 per night	Booked through the travel desk
Local travel (taxi or auto)	Actual cost	Shared rides preferred

Travel Rules

For journeys under 500 km, employees travel by train (AC 3-tier) or company bus. For journeys above 500 km, air travel in economy class is allowed with the approval of the department head. Air tickets must be booked at least 7 days before the travel date. Managers and above may be allowed business class on international trips only.

Approved claims are paid together with the monthly salary of the following month. If a claim is rejected, HR will tell the employee the reason by email within 5 working days. Mobile and internet expenses are paid as a fixed allowance of Rs. 800 per month and do not need bills.

4. Work From Home and IT Security

Work From Home

Employees who have completed their 6-month probation can work from home up to 2 days per week, with the approval of their manager. The days should be fixed in advance and shown on the team calendar. Employees working from home must be available on chat and email during office hours and must join all scheduled meetings with their camera on.

New joiners cannot work from home during the first 6 months, except in special cases approved by the HR head. Fully remote work is not allowed, apart from the Bengaluru design team, which follows a separate policy.

Laptop and Device Rules

Each employee receives a company laptop on the first day. The laptop remains the property of Brightwave and must be returned when the employee leaves the company. Employees must not install pirated software or connect unknown USB drives. In case of loss or theft, the employee must inform the IT helpdesk within 24 hours.

Passwords and Data Security

Passwords must have at least 12 characters and must be changed every 90 days. Two-factor authentication is compulsory for email and the code repository. Client data must never be copied to personal email, personal cloud drives, or messaging apps. Any suspected data leak should be reported at once to security@brightwave.example. Breaking these rules can lead to disciplinary action, including termination.

5. Frequently Asked Questions
